Ten LotS In Westover

To Be Sold To Highest Bidder For Cash

We own thirty three lots in Westover. Conditions make it necessary and imperative that we sell at least ten of these lots within the next five days for cash. We have a list of the lots and map of Westover at our office showing location of the thirty-three

During the next five days we will receive bids for any ten of these lots and at the end of said time we make deeds to the ten highest bidders for the lots they bid on. We will sell only ten lots on this plan. If you want a lot at your own price in one of the best sections of the city where white people will always live, with water, lights and sewerage, den't let this opportunity pass.
